- change your username and password

- tell the library how you'd like to be notified when an item you have a hold on is available

- specify your preferred font size and the number of results you see per page in the catalog.

- save your default search location. You can search just your library or the entire group

- tell the library to keep a history of your checkouts and holds. You will only be able to see the history when logged into your account—the library will not have access to your history.
