

Getting Started with TumbleBook Library

Available online | Free with your BDML Library Card!

TumbleBook Library has eBooks, animated books, read-a-longs, graphic novels, math stories, and more. Recommended for grades K-6.

1

Install the Tumblebooks app from the Appstore or Google Play on your Android or iOS device. Or go to www.coventrypl.org/tumblebooks in any web browser.

2

If prompted, select "Library" and follow the on screen instructions to locate Booth & Dimock Library and sign in with your library barcode number. Skip this step if you're not using a mobile app.

3

Browse the collection to find fiction, nonfiction, graphic novels, read-alongs, math stories, Tumble Tunes, and more. Simply tap on the cover images to enjoy.

4

Use My Cloud to create playlists, add favorites, and track reading statistics.

Find more digital resources available through your library at www.coventrypl.org/online
