

Policy #2 Material Circulation

The Library offers a variety of items available for circulation, including but not limited to books, DVDs, and video games. There is no limit to the total number of items a patron may borrow on their Library Card.

Except for the following, all items have a three-week loan period:

- Magazines – Two Week Loan
- Movies (does not include series) – One Week Loan/Seven (7) DVDs per library card
- Museum Passes – Three Day Loan/One pass per library card

Loan periods on eMaterials may differ from standard loan periods.

Checked-out items will be automatically renewed up to three (3) times. Items may be renewed as long as they are not reserved by another patron, not more than 30 days overdue, and not a Coventry Public School summer reading item or other item barred from renewals. A library patron may request additional renewals or ask for an extension of the loan period on a library item in person, by phone, or online. Approval of additional renewals or extended loan periods is at the discretion of the librarians.
